March 2016

2016 SA State Futurity & Maturity Show

The 2016 SA State Futurity & Maturity Show was held on February 13th by the SE of SA Branch at Lucindale. Run in conjunction with the F & M event was the Limestone Coast Challenge which attracted over 55 entries!

Well done to the SE of SA Branch Committee on running this annual event and providing a great venue and programme for all ASHS Members to be a part of.

The SA Central Branch had some very successful exhibitors and congratulations to all winners and placegetters on their efforts, as all the hard work was most certainly worth it!

We have not provided photos, to keep the newsletter download to a minimum, but they can be viewed on facebook under **Perfect Partners Photography** page.

All results can be viewed at the end of this newsletter.

Member News...

Sarah Bradshaw from Kersbrook has been selected as the **SA ASHS State representative to compete in the National ASHS Junior Judging Final event at the 2016 Sydney Royal Easter Show.**

We wish Sarah all the very best from all ASHS members in South Australia! And we are sure that Sarah will enjoy the experience and will represent our State beautifully. No matter what the final result is, Sarah has the full support from all the SA Central Branch Members and we know she will do her best. **Good luck Sarah!!**

Sarah will be attending our branch training day to work on her judging skills and be mentored in this role and we look forward to receiving her report on the Junior Judging Event in our next newsletter.

Trail Ride anyone?..

A number of **members have expressed interest in a trail ride**, possibly in the Mt Pleasant area at Mt Crawford Forest, as this is central for those members that are actively taking part in branch activities and a great way to meet our new branch members. If you are interested in attending or have a better location for a trail ride, please advise a member of the SACB Committee. We hope to plan this in the next month or so, before the weather changes for winter. We envisage this being a ride out from a designated point and back again to the start, then a BYO lunch. Depending on interest will indicate if this goes ahead or not, feedback is most welcome... let's hear from you soon..

SACB Hot Weather Policy - SACB run events only

If the **weather forecast is for 38C or higher**, as published in "The Advertiser" newspaper the day prior, any SACB run event will be cancelled. This policy only applies to events run by the SACB in their entirety (does not include events hosted by other organisations such as Agricultural or non-ASH breed societies).

To be advised via the SACB website, via phone/email where possible and printed on the programme.

SACB cannot guarantee entry refunds for events run by other organisations and as such, competitors must make their own decision to compete in hot weather or not at those particular events.

Happy Easter to all SACB Members..

With Easter coming up soon, we would like to wish all members a safe and happy Easter and hope that you spend the long weekend eating a bit of chockie, spending time with your family and your favourite Aust Stock Horse too!
